

# 2012 Capitol Day

## League of Women Voters of Iowa

**MARK YOUR CALENDAR: 2012 Capitol Day!**

League members will need to flex their advocacy muscles in the 2012 legislative session as a number of big issues are on the “to do” list - including a bill paving the way for a new nuclear power plant and a massive redesign of the state’s mental health system. Join us on Wednesday, February 15, 2012 as we head to the Capitol and make sure key lawmakers know how we feel about the issues important to our families, our friends, and our communities.
